

New Orleans ASQ Section 1518 Vision & Mission statement 2003-2004

- **VISION STATEMENT**

We envision New Orleans ASQ Section 1518 to be the recognized source for Quality information for section members, other organizations (public and private), and the community.

- **MISSION STATEMENT**

Section members will promote Quality principles in business, education, healthcare, and government organizations in the greater New Orleans area through continued devotion of time, energy, resources, and expertise by application of the quality tools and techniques of continuous improvement through partnerships, educational forums, and membership meetings.
